

Home comforts takes inspiration from intimate home environments, focusing on the quiet personal touches as objects are rearranged by their inhabitants.

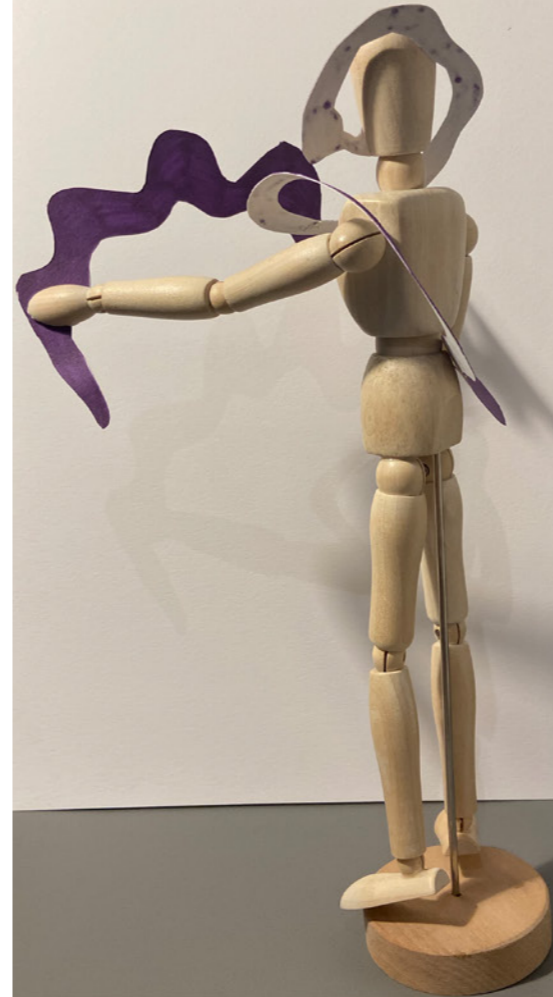

Chair Draping

juxtaposition
of hard
and soft

restyling garments over a hard object

Slant Acrylic Development

reference
curved and sharp lines
organic shapes

my artwork

adding personal 'home' touches
each acrylic piece has
its own unique palette

clear acrylic
sampling - freehand
w/ chalk pens

Acrylic painting

final outcome 'The drawing room'

Shape is drafted in card + PVC.
Using a flat photo of the shape
this is turned into a vector to be laser cut

The flat laser cut shape
is heated using a large scale
heat press until it becomes rubbery

It is sculpted
over a mannequin
& held in place until
it cools and hardens

The sculpted shape
is decorated in abstract
artwork using chalk pens
