My Original form Group

Scholarly Behaviour

Hard work and a positive attitude is the secret to success

Set 1 meaning the high set & set 5 being the lower set

Year Teams

Strong leadership from both the Head of Year and the form tutors

Head of year for 3 years & our Chemistry teacher

My academic form group

Pastoral care

"The school's strategy of grouping the most-able students into separate classes allows teachers to plan for high levels of challenge and enquiry, and the subsequent high levels of achievement made by students reflects this."

Prospectus 2018

"LOWER"

Race

"Metal mouth"

"You're too white
for the
blacks"

Not being accepted
for who I am

Teachers didn't pay
as much attention
to the kids with
learning difficulties.

/ feeling like I
didn't belong

ELSS

stressful

MY EXPERIENCE

Being picked on

2013-2018

"train
tracks"

"Not
Smart
enough"

"waxey teeth"

Hard

"You're too black
for the whites"

Feeling like I had
to be a certain
way for people
to like

wanting to grow
up so I could
finally leave
school

social difficulties

Being excluded
from your own race

"FOUR EYES"

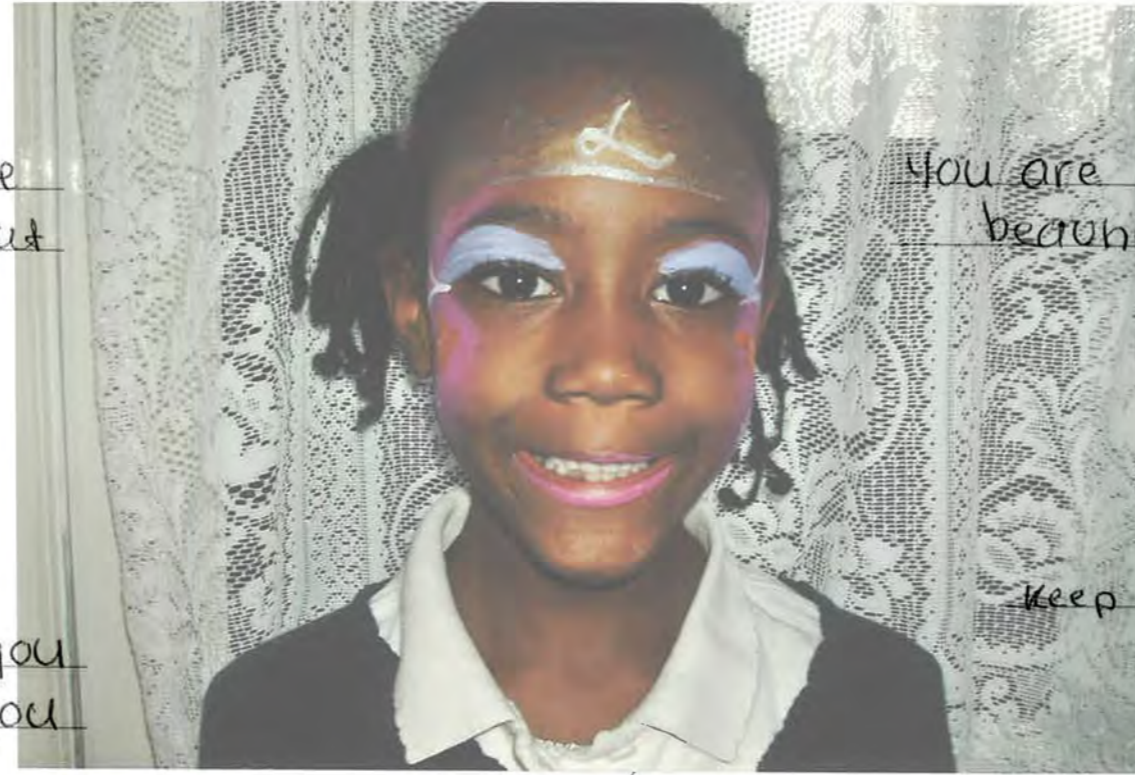

"You're not cultured enough"

Don't let people
push you about

We love you
for you

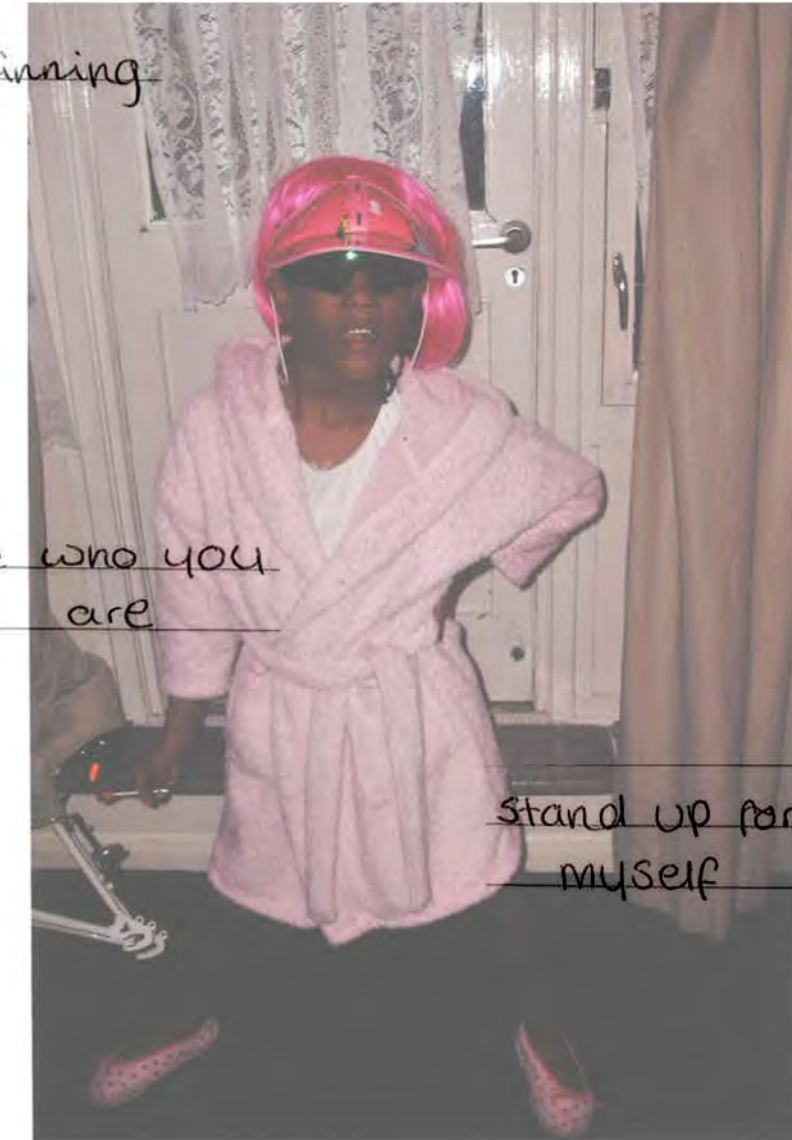

Be proud to
be you

You are
beautiful

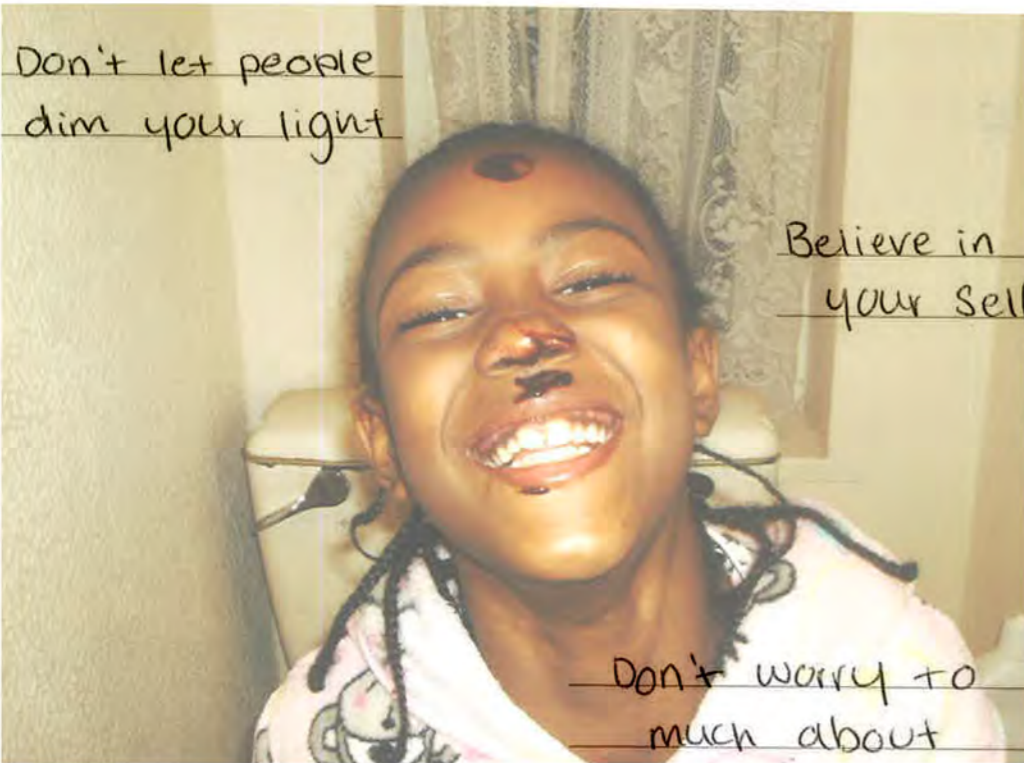

Keep shining

WHAT WOULD YOU SAY TO YOUR YOUNGER SELF?

Be who you
are

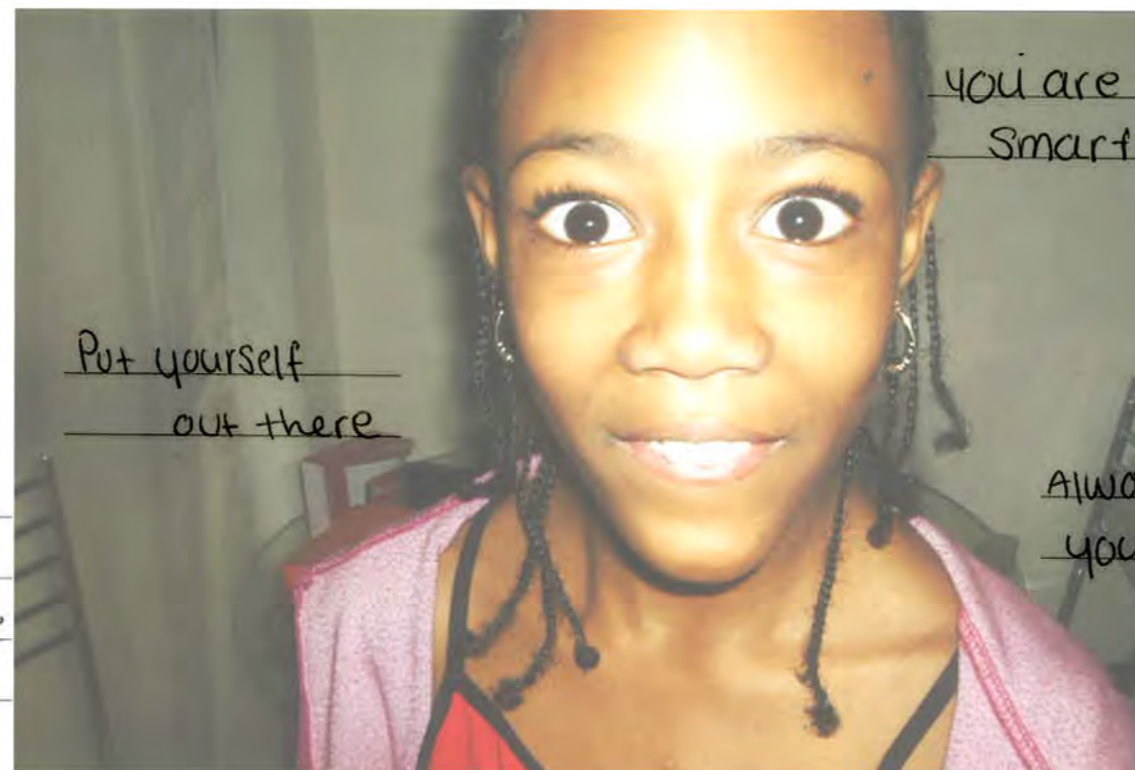

Stand up for
myself

Don't let people
dim your light

Believe in
your self

Don't worry too
much about
what other people
think

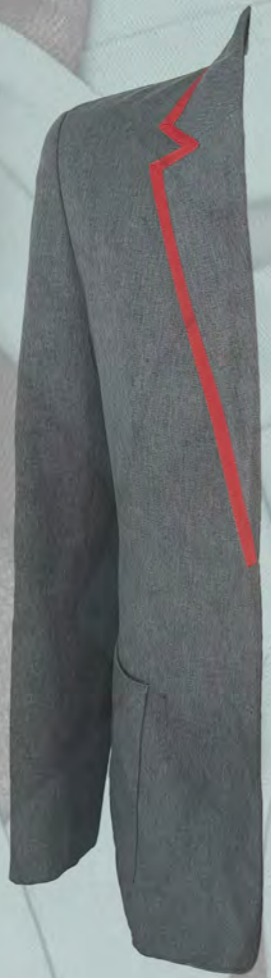

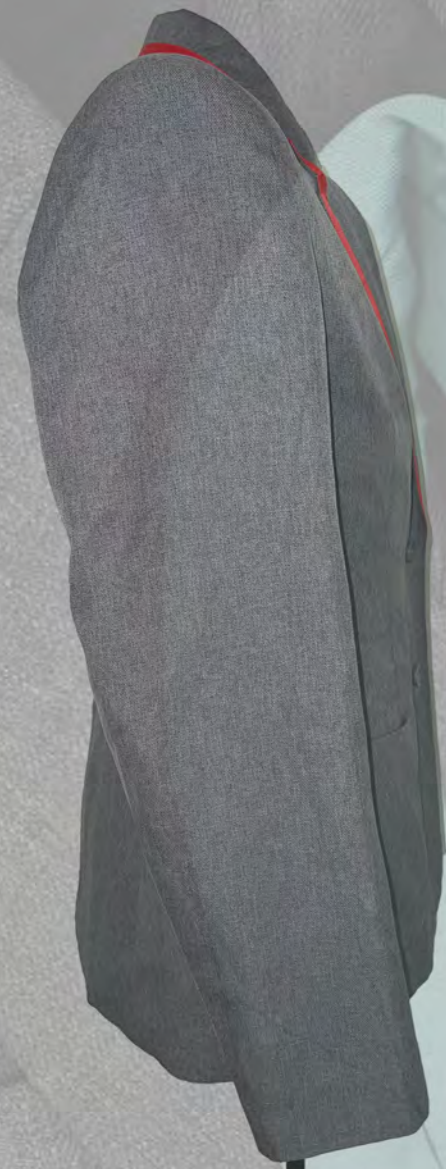

You are
Smart

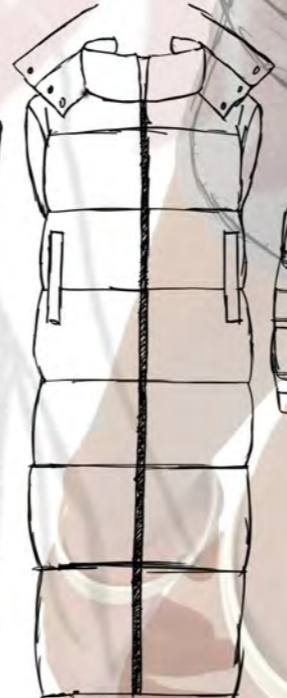

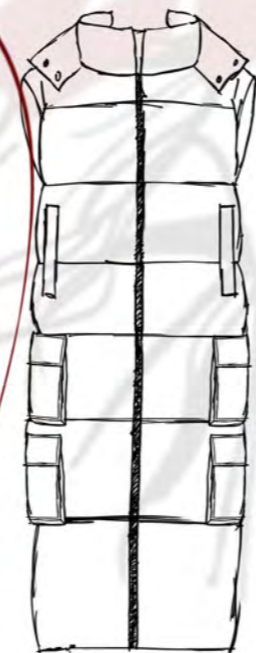

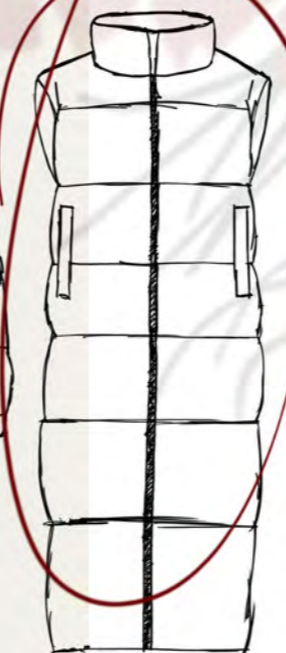

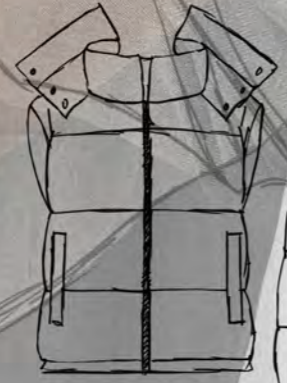

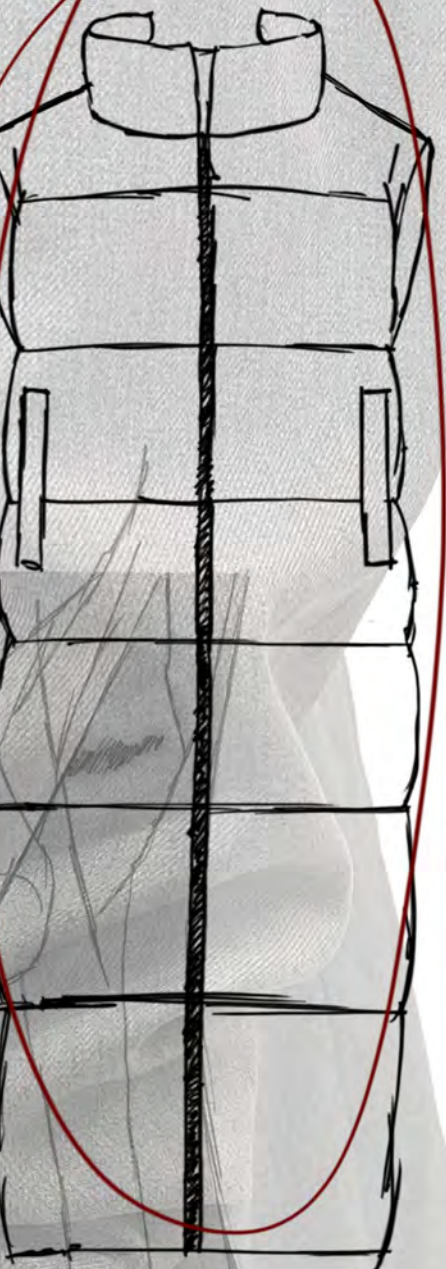

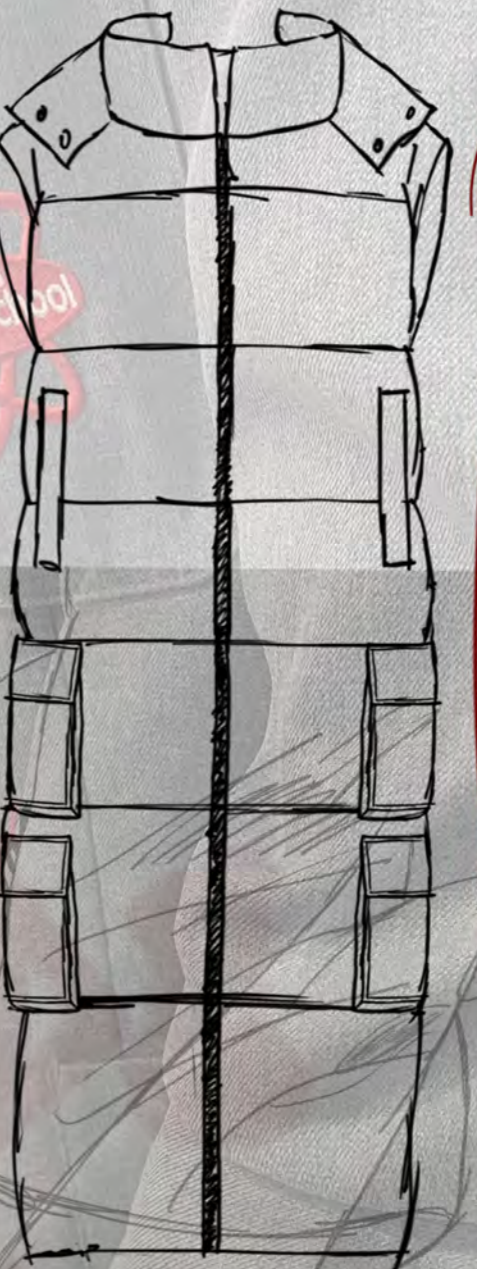

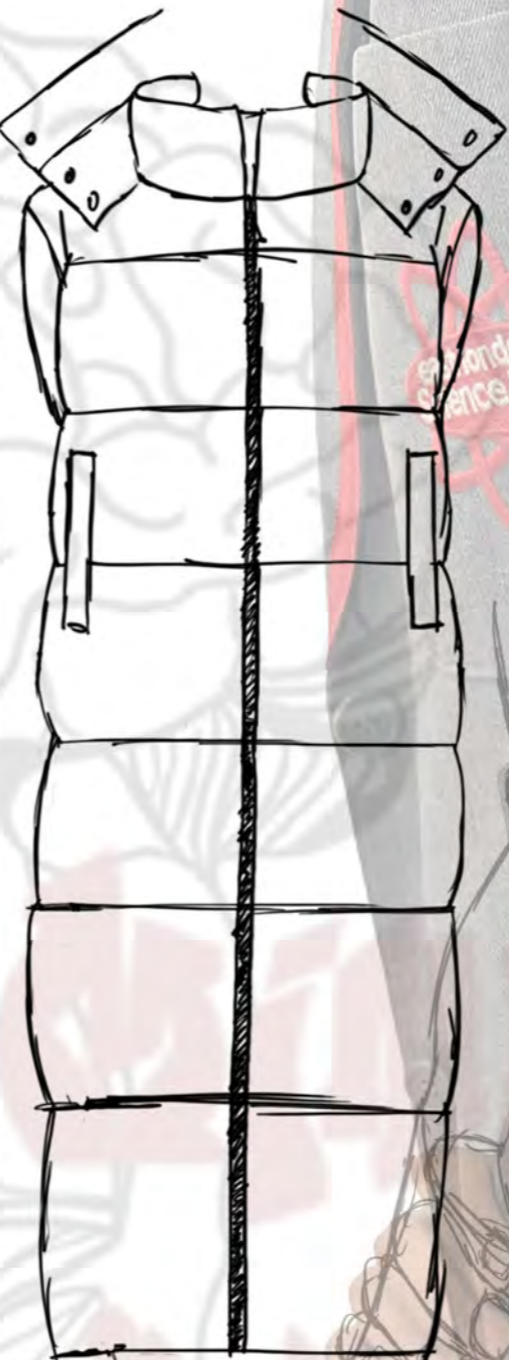

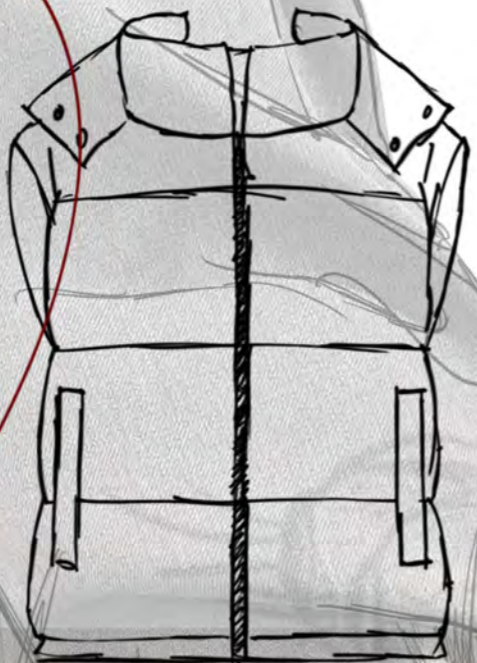

Put yourself
out there

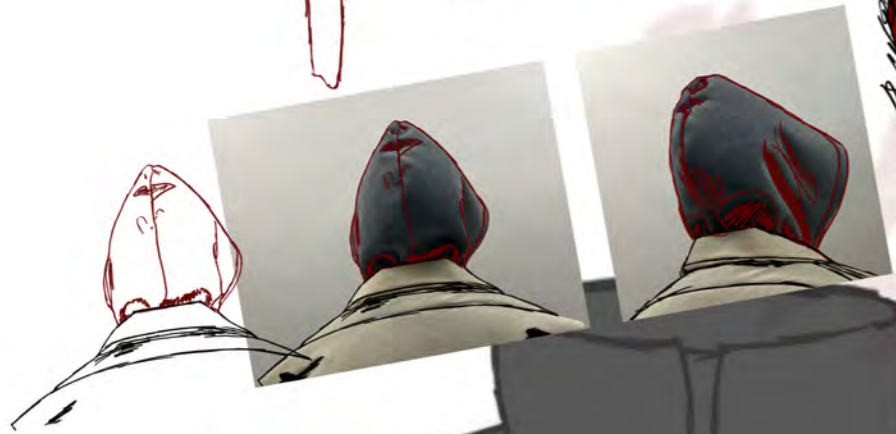

Always know
your worth

Cargo pockets are a necessity to Y2K fashion

It allow you to have the Utilitarian look

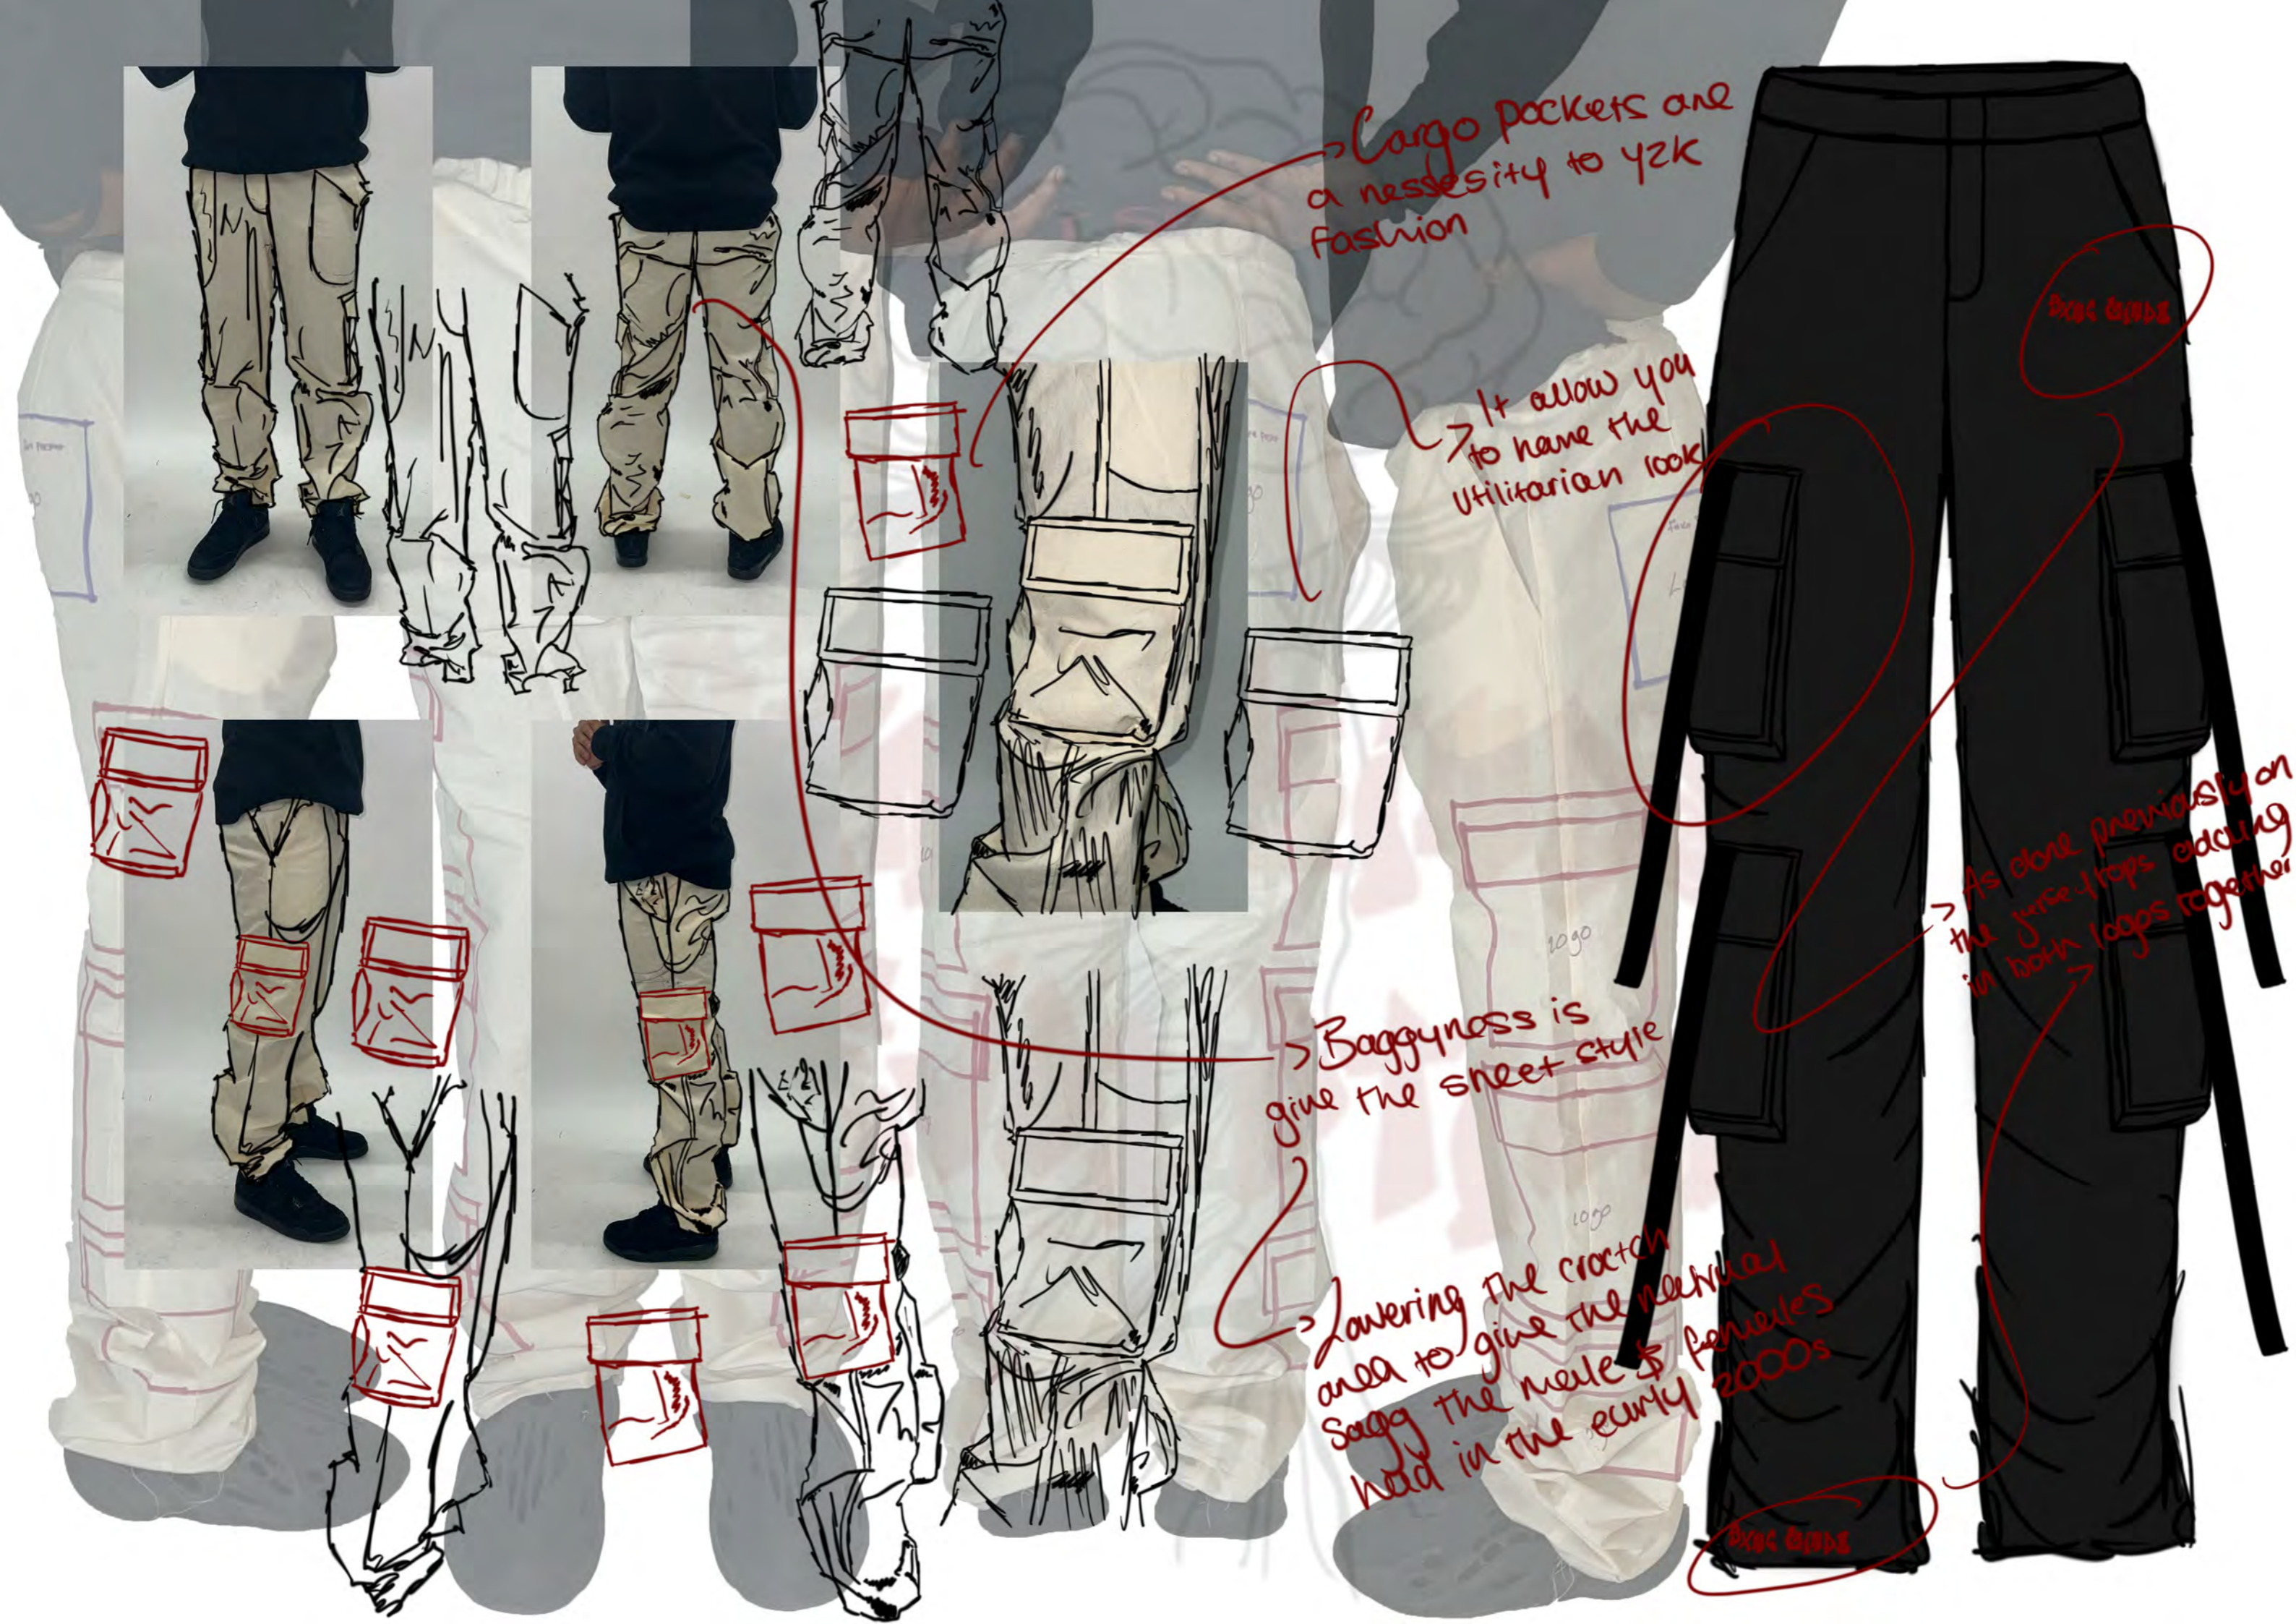

Baggyness is give the street style

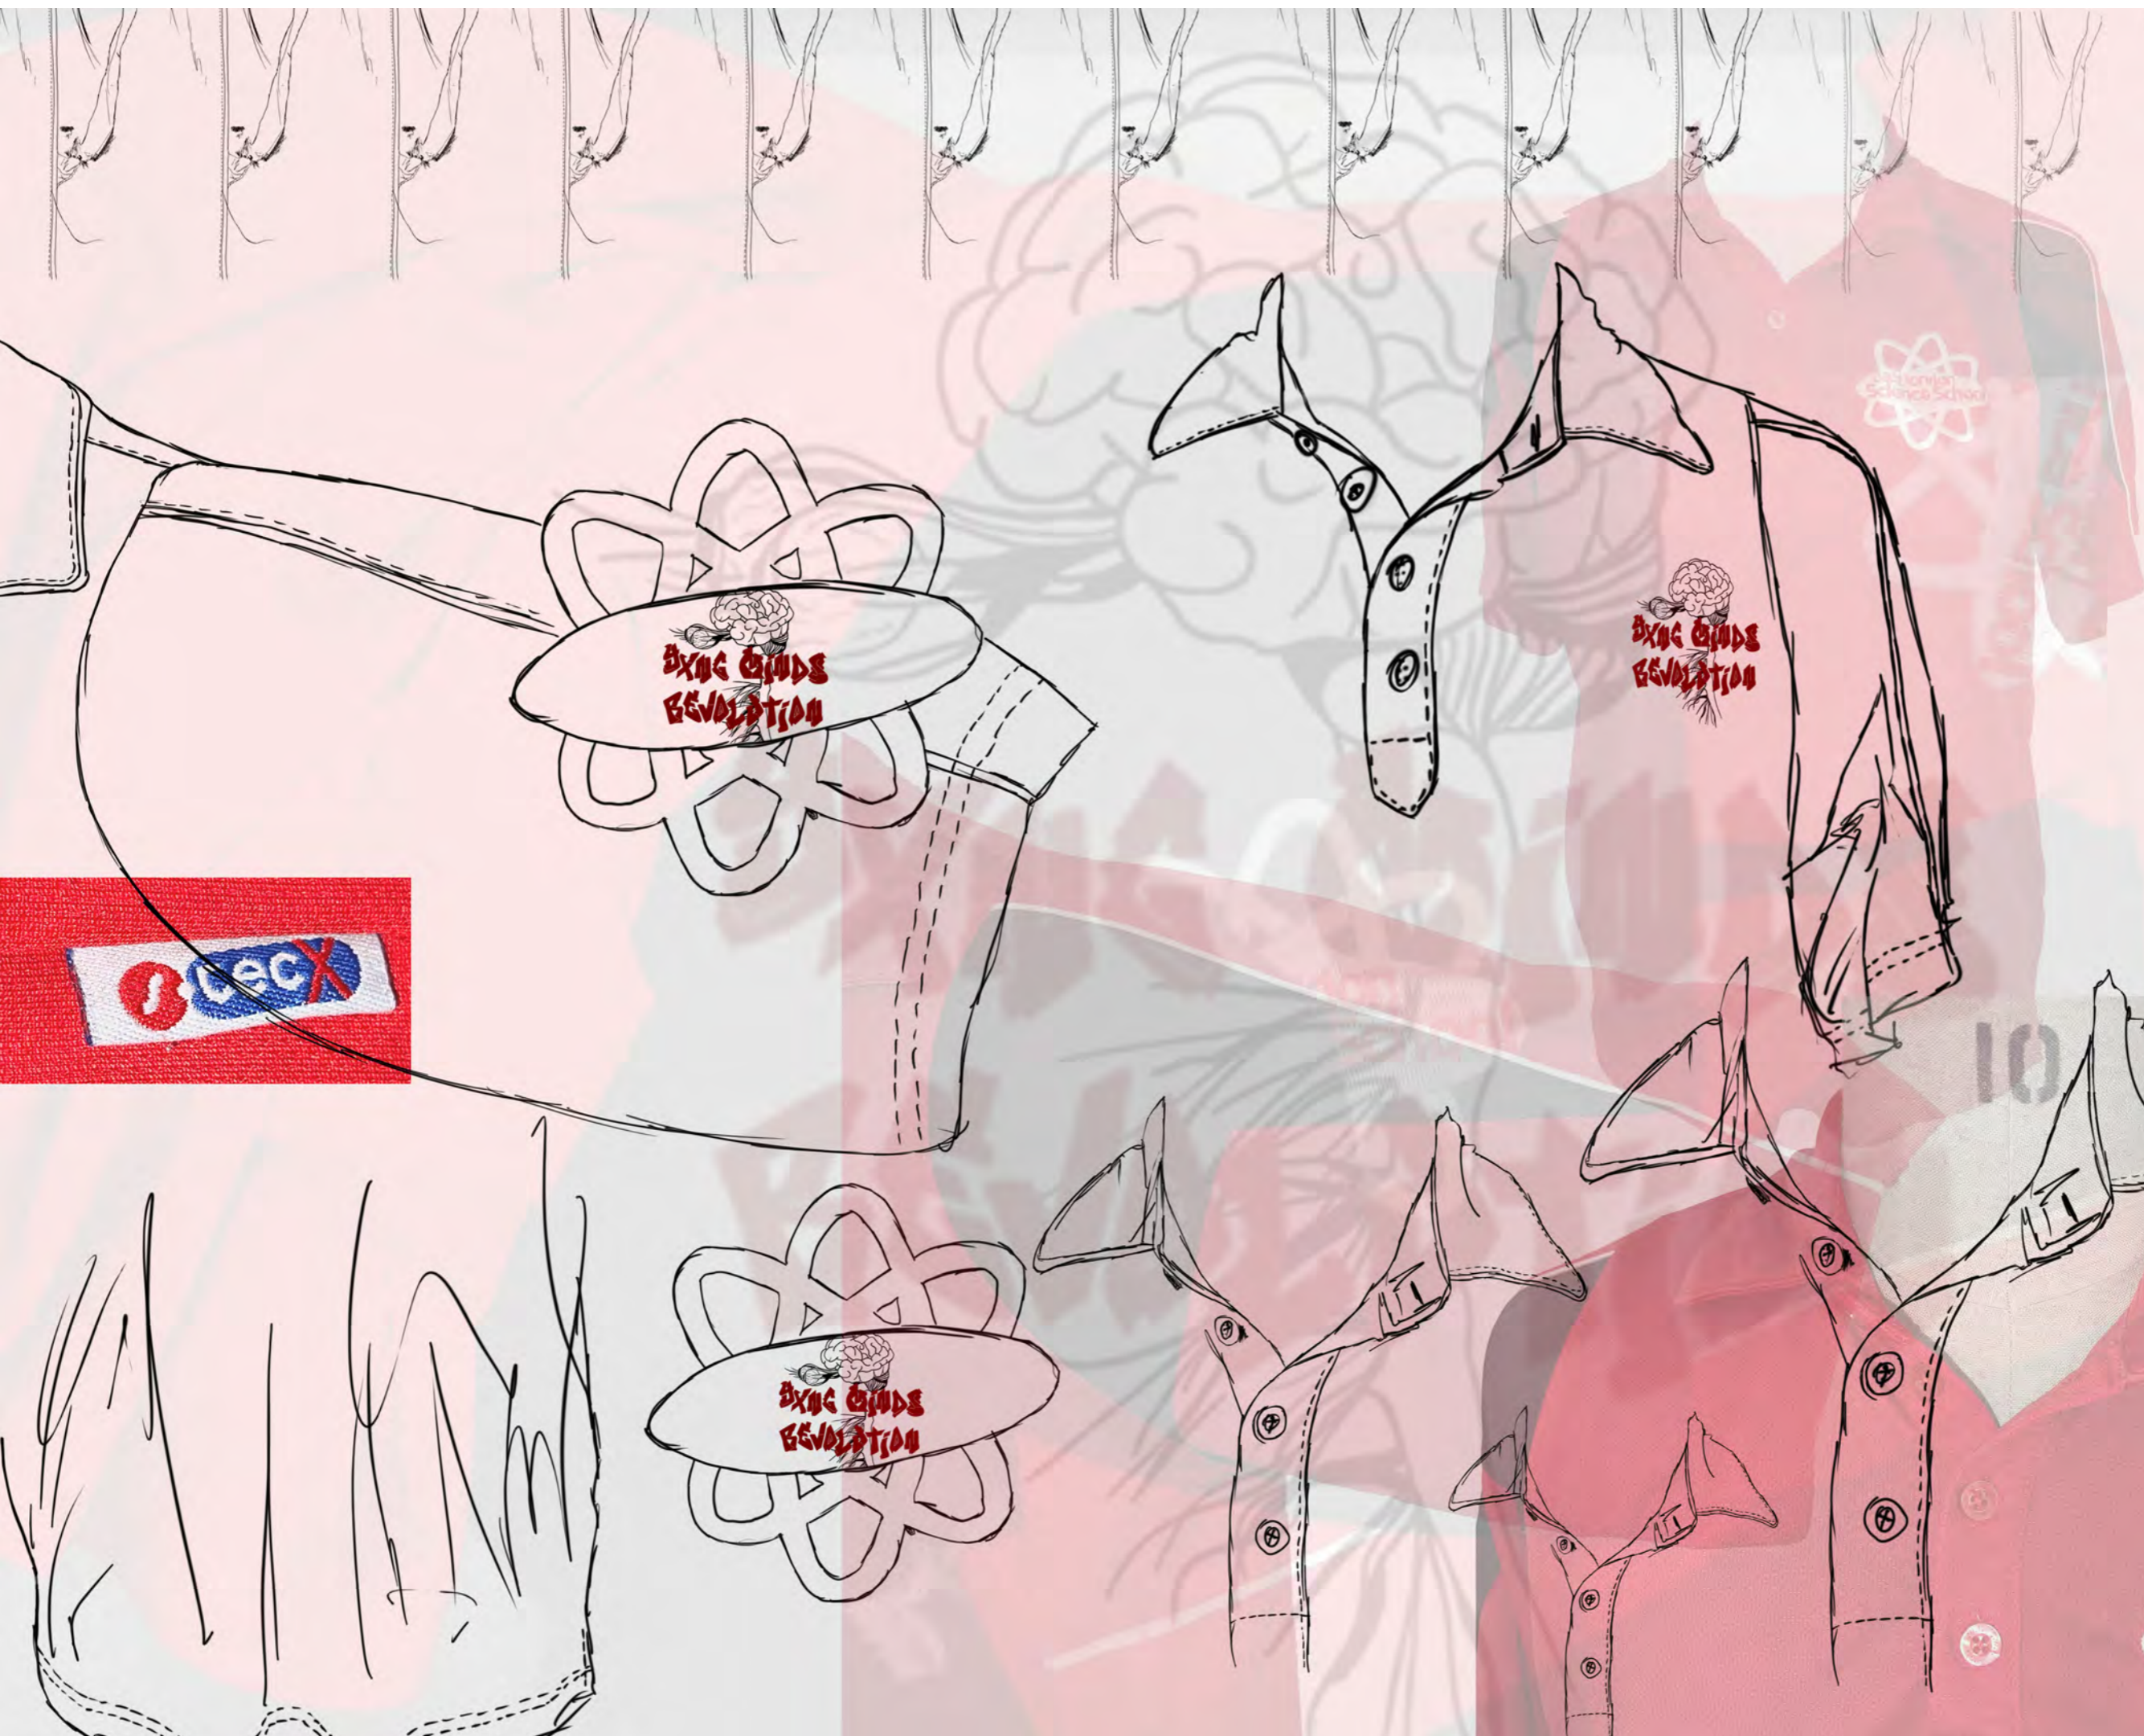

Lowering the crotch area to give the neutral saggy the male & females held in the early 2000s

As done previously on the jorts drops adding in both loops together

→ Putting in my own brand name to link back to the younger generation we are appealing to with the Y2K fashion elements

→ Ribbing on the side of the V-neck (Potential design technique)

→ England Footy logo to represent the team that they are sponsoring

→ Implicating the number on my own designs

→ Significant number of a player

→ Number 24 for the brand starting in 1924

How to identify them on the pitch
